Forest Resource Advisory Committee Meets in Steamboat July 22

(Steamboat Springs, Colo.) July 13, 2010 -- The MedBow-Routt Resource Advisory Committee (RAC) will meet Thursday July 22, from 9:30 – 3:30 at the Forest Service Office, 925 Weiss Drive in Steamboat Springs, Colorado. The purpose of the meeting is to review and recommend projects for funding.

In May, the RAC solicited projects to be considered for funding through the Title II of the Secure Rural Schools Act. Several project proposals were received and now the RAC needs to recommend to the Forest Service which ones to fund and at what levels.

Projects will be in Routt and Jackson counties in Colorado, and Albany and Carbon counties in Wyoming, and will benefit the national forests. The public is invited to attend and will have an opportunity to comment at 3:20 p.m. For more information, please call 970-870-2187.
